	<i>[Members OBJECTED to this proposal. The vision splay was considered inadequate at that location but a larger splay would cause damage to the bank. Members thought that this might possibly be ancient hedgerow. Members suggested that creation of access from Eden House might be considered which they thought would provide better security.]</i>	Clerk	✓	
51.8	<b>TM/14/04291/FL</b> – extension to main roof over garage, additional rooms to loft area, creation of front gable with and side dormer to south elevation together with replacement windows, window opening alterations and upgrade of existing ground floor habitable rooms at <b>Tudor Cottage, 134 High Street</b> for <b>Mr Reeve</b> .			
	Members had been provided with a copy of a letter of objection from a resident			
	<i>[Members had no objections IN PRINCIPLE but did object to the design of the front elevation: they regretted the loss of the hipped end which was proposed to be gable end instead. This members considered to be unbalanced and intrusive. Members also OBJECTED to the dormer. Members also were concerned about the lack of detail for the garage doors and windows. Members urged that the materials used ought to be more sensitive than those used for the recent extension. It was hoped that the development would be in close communication with the Borough Council's Conservation Officer. ]</i>	Clerk	✓	
51.9	<b>TM/14/04292/LB</b> - Listed Building Application - extension to main roof over garage, additional rooms to loft area, creation of front gable with and side dormer to south elevation together with replacement windows, window opening alterations and upgrade of existing ground floor habitable rooms at <b>Tudor Cottage, 134 High Street</b> for <b>Mr Reeve</b>
