18/184	TMBC LOCAL PLAN			
	<p>Cllr. Byatt directed members to the draft minutes of the meeting of the Planning and Transportation Advisory Board which was held on 6th March.</p> <p>At this meeting, Board Members were advised that a draft version of the revised National Planning Policy Framework (NPPF) had been published and was out for consultation until 10th May 2018. Local Plans submitted to the Secretary of State within 6 months of the final NPPF being published would be assessed under the guidance of the current NPPF rather than the proposed new standardised methodology for calculating housing need. For Tonbridge and Malling this meant that Objectively Assessed Needs of 696 new homes per year and associated evidence already prepared and used to inform 'The Way Forward' consultation document could continue to form the basis for the Borough's Local Plan. It was proposed that every effort should be made to submit the Borough's Local Plan to the Secretary of State within the 6 month transitional period which was anticipated to be December 2018 at the latest.</p> <p>The revised Local Plan timetable was agreed.</p> <p>Link to Agenda, decisions and draft minutes:- https://democracy.tmbc.gov.uk/ieListDocuments.aspx?CId=159&MId=3111&Ver=4</p>
