19/18 LOCAL PLAN
Land Rear of 239-259 London Road
Appeal decision was made public on 19th December. The appeal against refusal
was allowed. The decision weighs heavily on T&MBC's lack of a 5 year housing
supply. In 2017 the housing supply figure was 4.7 years and it is understood that
the figure is now 3.7 years. Cllr. Luker believed that 4000 permissions had been
granted but not implemented.
It was agreed to explore the possibility of appealing the decision and to buy private
consultancy in the future for Local Plan/Lavenders Road, Bellway application.
Local Plan
Deadline for submission is 24 <sup>th</sup> January. T&MBC are aiming to submit on the 23 <sup>rd</sup>

#### West Malling Parish Council 7th January 2019

## Councillor's report

The recent muggings in the Town, I contacted Alison Finch.

The Police have not received any further incidents, they have been doing extra patrols in the area and will this will continue. There is an active investigation into the muggings, but no further updates.

### Trudy's report.

I am please to read that KCC has taken a stand with the developer of the 900 homes and access problems. We all knew that it was unrealistic and they have taken note of our complaints

#### King Street the gas main.

I told the contractor about the "extra residents "they will find when they reach the Public Toilets area. Also complained to Southern Water, to where they are residing.

#### Land at the rear of 239 -259 London Road

The Retirement Development, they won the appeal mainly because Tonbridge & Malling took it out The Green Belt
